Merle Haggard

A                    D  
Could be holding you tonight  
D                    A  
Could be doing wrong or doing right  
A                    E  
You don't care about what I think  
E                    A  
I think I'll just stay here and drink

A                    D  
Hey, putting you down won't square the deal  
D                    A  
A least you'll know what I feel  
A                    E  
Hey, take all the money in the bank  
E                    A  
I think I'll just stay here and drink

A                    D  
Hey, listen close and you can hear  
D                    A  
That loud jukebox playing in my ear  
A                    E  
Ain't no woman gonna change the way I think  
E                    A  
I think I'll just stay here and drink

[INSTRUMENTAL: SAME PROGRESSION ONCE AROUND]
