

## Two More Bottles Of Wine

Delbert McClinton

E            A            E  
We came out west together with a common desire.  
E                            B7  
The fever we had might have set the west coast on fire.  
B7    E                    E7  
Two months later got a troublin' mind,  
A7  
Oh, my baby moved out and left me behind.

E            A7  
But it's all right, 'cause it's midnight  
B7                    E7  
And I got two more bottles of wine.

E            A            E  
The way she left sure turned my head around  
E                            B7  
Seemed like overnight she up and put me down  
B7            E            E7  
Well, ain't gonna let it bother me today,  
A7  
I've been workin' and I'm too tired anyway.

E            A7  
But it's all right, 'cause it's midnight  
B7                    E7  
And I got two more bottles of wine.

E7    A                    E  
Well I'm sixteen hundred miles from the people I know  
E                            B7  
I've been doin' all I can but opportunity sure comes slow  
B7    E                    E7  
Thought I'd be in the sun all day  
A7  
But I'm sweeping out a warehouse in west LB.

E            A7  
But it's all right, 'cause it's midnight  
B7                    E7  
And I got two more bottles of wine.  
E                    A7  
Yes, it's all right, 'cause it's midnight  
B7                    E7  
And I got two more bottles of wine.
