

UP ON THE ROOF

Gerry Goffin & Carole King

Verse 1

When this old world starts getting me down
And people are just too much for me to face
I climb way up to the top of the stairs
And all my cares just drift right in to space

Chorus 1

On the roof it's peaceful as can be
And there the world below can't bother me
Let me tell you now

Verse 2

When I come home feelin' tired and beat
I go up where the air is fresh and sweet
I get away from the hustling crowds
And all that rat race noise down in the street

Chorus 2

On the roof's the only place I know
Where you just have to wish to make it so
Oh, let's go up on the roof

Chorus 3

At night the stars put on a show for free
And darling, you can share it all with me

I keep a-telling you
