

UP ON THE ROOF

Gerry Goffin & Carole King

C Am
When this old world starts getting me down
Dm Em F G7 C F G7
And people are just too much for me to face
C Am
I'll climb way up to the top of the stairs
Dm Em F G7 C F G7
And all my cares just drift right into space

Chorus 1

F Em Am F
On the roof it's peaceful as can be
C Em Am Em F G7
And there the world below don't bother me

Verse 2

So when I come home feelin' tired and beat
I'll go up where the air is fresh and sweet
I'll get away from the hustling crowd
And all that rat-race noise down in the street

Chorus 2

On the roof that's the only place I know
Where you just have to wish to make it so
(Lets go up on the roof)

Solo: C Am Dm Em F G7 twice

Chorus 3

At night the stars put on a show for free
And darling you can share it all with me
I keep on telling you that

Verse 3

Right smack dab in the middle of town
I've found a paradise that's trouble proof
And if this old world starts getting you down
There's room enough for two up on the roof
